DANVILLE, VA., July 20.—Richmond, fresh from her two victories over Lynchburg in the double-header Saturday, had it rubbed into hier by the Tobacconists to-day by a score of 5 to 1. While Ritchie and Drew divided honors on the number of hits allowed, the eight men left on bases by the visitors, with two for Danville, tells the Story how th former's twirler knew how to use his wing with effect at critical stages. Danvilla started off with two runs in the first liming, and this was due to three singles, coupled with an error of Cuddy, which allowed one of the runs. In the sixth inning Powell singled and went to second on a wild throw of Cowan, and Hessier got his base on balls. The great Benny, for Danville, connected for a double, scoring both of the men. In the sixth inning Richmond made, her only tally, as the result of an error. Hicks went to first on an error of Reggy, and a single by Shaffer brought Cuddy home. In the eighth inning Fetzer sant the ball over the fence for a home fun. Newhouse gave Danvilla the raw edge of the proposition all the way through, and rendered a decision that raised a howl from every one present when he called Zurlage out while coming home on 3, high fly to center, with one man down. He elaimed that the runner left the seaks before the hall had been caught by the fielder. Two double plays and some britiant fielding work on both selder. DANVILLE,

hard Work on the Part of Lynchburg Won Her the First Game.

(Special to The Times-Dispatch.)

ROANOKE, VA., July 80.—The first of
the series went to the Shoemakers this
afternoon by a score of 8 to 2. It was
a hard game to lose, and had the teamwork of Roanoke been such as for the
past week, the result would have been
different. Several rank errors characterized the work of Roanoke. Snaith allowed the visitors only two hits, and
had he bean given proper support ha
would probably have won his game. On
the other hand, Stewart was batted
freely, the locals securing four hits, but
the team behind him did almost perfect
work. The visitors started the run-getting in the second inning, and the score
was 1 to 0 until the seventh, when MeWhorter hit a clean one to left. Cooper
followed, and set his base on a fielder's
choice, McWhorter scoring. Cooper a littie later scored on a thrown ball, which
went past third base. After this they
were unable to cross the rubber again,
while the visitors made one run in the
seventh and one in the teighth. Bentley
made two of the runs for the visitors,
being hit by Smith and given a base on
balls later. The Lynchburg team is a
hard-working bunch, and go in for everything in sight. They work well together,
and this is the principal cause of their
winning. The score:

But the most exciting series have been with the Rivarside Club, of Petersburg. Up, to date these teams have met three times. The scores were 6 to 5, 7 to 1, and 1 to 0, all in favor of the Hermitage. The last game was probably the prettiest ever played this season by any teams. The excitement reached its climax in the ninth inning, when, with the score standing only 1 to 0 against them, the Petersburg boys got two men on bases, and ing only I to against them, the Peters-burg boys got two men on bases, and nobody was out. The rooting became flerce, but died into sad silence when Murray McGuire sent the next two bat-ters to the stable with "struck-out" flags fore and aft. The third and final sent an easy fly to left, and the agony was over.
